Princess & Pirates Hidden Treasure Adventure

This unique & fun party is for our younger, special girls & boys and their parents. Children can come dressed as a princess or pirate. At arrival each girl is fitted with a prism crown and each boy is fitted with a pirate skull bandanna and fun body tattoos to complete the look! The whole class will then go on a small treasure hunt and reveal clues to a hidden treasure. After finding it parents & children will then make our very own treasure box, to take home that evening.

Child Care Center

It's hard to believe, but we are preparing now for the fall preschool classes. Preschool screening sessions were held in February. If you missed the screening dates for your child and have any concerns, please call the Center. The free *Preschool For All* program requires a screening for each child that enrolls in the program. We are also taking registration fees for our tuition based preschool classes for the fall. Call the Center today, 815-458-2787 for any openings.

The Child Care Center is doing a Little Caesar's fundraiser starting March 1. Money and orders due March 12 and the with Delivery date will be March 25. If you interested in placing an order to help the Child Care Center, please call Cheryl or Devin @ 815-458-2787.

Once again we will be participating in a hop-a-thon in the spring for Muscular Dystrophy. Our children will be hopping for those children that cannot hop.

Donations are made out directly to Muscular Dystrophy and can be given to a Staff member at the Front Desk or at the Child Care Center.

We are planning for our annual graduation program. If your child is graduating from preschool, all family and friends are welcome to attend the ceremony on May 19, 6:30 p.m. in the gym. We look forward to a program full of songs and the passing out of diploma's.

If you are interested in summer care for your child, please call for an appointment to tour the facility and to check for availability.

Need information regarding the Child Care Center or our preschool programs? Please call Cheryl or Devin @ 815-458-2787, they will be happy to answer your questions.
